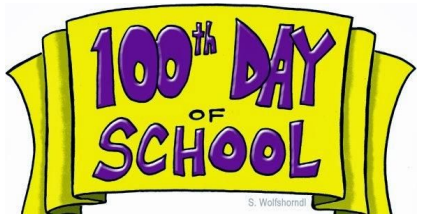
Each line begins with the letter from that word.	*When you print sentences, use capitals and periods!*



February 1st, 2019

Dear Parents,

On **Friday, February 8th** we will be celebrating 100 days at school! We are asking your child to please bring in 100 small items that will fit in a baggie **on or before Friday, February 8th.** Examples are: paper clips, coins, buttons, toothpicks, lego, stickers, etc. The students will be counting, comparing, sorting and doing other activities with their items. Thank you for your support.

The Grade One Team,

We will be celebrating Valentine's Day on **Thursday, February 14th**. In case you want to have your child bring in cards, please have them sign their own names only on each card. There are 19 students in our class. This is a voluntary activity. Have a Happy Valentine's Day!

Ms. Wong
